Mr Joseph Griffin
909 Bowe St.
Richmond Va.

Dear Sir:

I am in receipt of your letter of Jan. 25th in which you asked about the possibilities of playing ball with The Eagles this coming season.

It is of course impossible to take all the men to camp who write, but due to the fact we expect to train in Richmond, I will be glad to give you an opportunity to work out with the club when convenient. That will enable us to see how you look, and if you rate it, we will, of course be glad to give you a chance with the team.

As things stand now we plan to start training about the last of March or the first of April.

Very Truly Yours
